

ABOUT

Todaytec LLC is a global manufacturer of durable, cost-effective thermal transfer ribbons for thermal transfer printing. With a full range of wax, wax-resin, and resin ribbons, Todaytec is committed to customer growth and exceptional customer service.

NEEDS

Handling payroll in-house meant lots of time wasted double-checking everything and added stress for Maria Irwin, accountant and HR administrator for Todaytec LLC. So, when Todaytec decided to outsource their payroll needs, they looked for a company with a friendly, hands-on presence and the ability to guarantee timely and accurate payroll.

NETCHEX SOLUTIONS

With a combination of payroll, time & attendance, employee self-service, and in-depth reporting, Netchex was able to ensure payroll accuracy every payday, while also saving Todaytec time and money (and lowering Maria's stress level). And if issues do arise, Netchex's customer support team responds quickly with outstanding customer service.

HIGHLIGHTS

Time Saver - Switching from a manual process saved loads of time and removed the stress

Customer Service - There for you when you need... if you need it

Accuracy - No more manual double-checking, just timely and precise payroll

“Saved me time and energy and lowered my stress level!”

- Maria Irwin
