## SAVING TIME AND EFFORT WITH AUTOMATION

When switching from manual HR and payroll management to automated HR & payroll technology is always a good decision—and for Winters Title Agency, it was no different. Before Netchex, payroll processing and time tracking were intensely manual and time-consuming processes.

**"It was time consuming doing it in house. With Netchex processing our payrolls it has freed up hours of my time."**

**"Switch to Netchex because it will save you time which saves your company money in the long run."**

**- Kerry Fritscher, Accountant at Winters Title Agency**

## COMPLETE COMPLIANCE ASSURANCE

With Netchex, your HR team can easily check one more thing off their to-do list with complete compliance assurance—from payroll and taxes to hiring and data security.
